

The Twenty-Fourth Annual "Oregon Connections Telecommunications Conference" Conference Sponsorship and Exhibitor Opportunities

The Oregon Connections Telecommunications Conference Planning Committee invites you to add your voice to others who are actively involved in promoting Oregon's telecommunications future. This fall will mark the twenty-fourth year of the Oregon Connections Telecommunications Conference, the only conference of its kind in Oregon that gathers telecommunications consortia, evangelists, service providers, policy makers, state and local governments and private sector businesses.

The Oregon Connections Telecommunications Conference has become a popular statewide event where all of Oregon assembles to talk telecommunications. **The 2019 conference will be held October 24th and 25th, at the Ashland Hills Hotel and Suites in Ashland.**

To continue the success of the Oregon Connections Telecommunications Conference, we rely on the generous sponsorship of organizations and companies like yours to assure that we can offer a quality event at the lowest possible cost to participants, many of whom represent the public sector. Please consider supporting the conference through a sponsorship.

Exhibitor opportunities are also available. Our exhibit space is designed to be very interactive and will be located in a high traffic area for the conference.

A conference sponsorship agreement and an exhibitor information and application form are provided here for your consideration. Should you need further information, please contact me at 503 508-0178 or at christopher.tamarin@oregon.gov. You can also visit our conference website at www.oregonconnections.info.

Exhibitor space is limited, and the deadline for applications is September 10, 2019. Early applications are very much appreciated.

We encourage you to consider this opportunity to show your support for broadband telecommunications in Oregon. Please join us in Southern Oregon for this year's conference.

Thank You!

Chris Tamarin
Conference Planning Committee
